

Summer Playground Electronic Devices Policy

During your child's participation in Summer Playground, we want to make sure they have the best experience possible. The following policy will be enforced in Summer Playground.

The City of Concord Parks and Recreation Department and the Summer Playground staff are not responsible for any electronics that are lost, stolen, broken, or used inappropriately. We have developed the following policy to protect your children from inappropriate usage of electronics, loss or damage.

Electronics will be prohibited from the Summer Playground program. We want to assure that your child has an enjoyable time at camp and participates in activities, as well as to ensure the safety of your child.

If your child chooses not to adhere to this policy, the City of Concord Parks and Recreation Department, reserve the right to take away the device until the end of the day when it will be returned to the parent or guardian. Further violation will result in a parent conference and possible suspension.

If your child needs to contact a parent, we ask that they tell a leader, and the leader will either let them use their Site phone or if they are on a trip, the leader's cell phone. If you, the parents, need to contact your child, we ask that you call your child's Site or the City of Concord Parks and Recreation Department.

We appreciate your cooperation in this matter and look forward to a fun filled summer!

I acknowledge that I read and understand the following policy set forth by the City of Concord Parks and Recreation Department.
